Privacy Policy

The protection and security of your personal data is an important concern for us. Therefore, compliance with the currently applicable data protection and data security regulations is self-evident to us. We collect and use your personal data obtained through the use of our Internet services under the heading Contact and your inquiries only with your consent. We use the data to answer your request, a transfer to third parties does not take place. The data collected is subject to far-reaching security measures which prevent unauthorized access, prevent abusive use and protect it from destruction, loss or manipulation of the data. Our security measures are continually improved according to the development of data protection and security technology.

Cookies

The Internet pages partly use so-called cookies. Cookies do not damage your computer and contain no viruses. Cookies serve to make our offer more user-friendly, effective and safer. Cookies are small text files which are stored on your computer and which your browser saves.

Most of the cookies we use are so called "session cookies". They are automatically deleted after your visit. Other cookies remain on your device until you delete them. These cookies allow us to recognize your browser on the next visit.

You can set your browser to inform you about setting cookies and to allow cookies only in individual cases, to exclude the acceptance of cookies for specific cases or in general, and to activate the automatic deletion of cookies when the browser is closed. The functionality of this website may be restricted when cookies are deactivated.

Disclosure, deletion, blocking

You are always entitled to free information about your stored personal data, its origin and recipient, the purpose of the data processing and a right to correct, block or delete this data. For this as well as for further questions regarding the subject of personal data, you can contact us at any time at the address given in the imprint.
